

Xenium Freework®

Price List
2010

"360° Of Free Movement"

Prices and Warranties:-

All prices quoted within this price list are shown at UK List Price. All prices are in pounds sterling.
All Grahl chairs carry a minimum two year guarantee against faulty workmanship, subject to fair wear and tear.
Longer warranty periods are available by negotiation.

All fabrics carry the relevant manufacturers' warranty, subject to fair wear and tear.

Some illustrations shown within this price list include arm rests. All arm rests are available as an optional extra and are not included within the seating prices unless stated otherwise.

All chair orders are subject to a delivery charge. Delivery charges on volume orders are negotiable.

Fabrics:-

If you wish to provide your own fabric then please calculate the price using the C.O.M (Customer's Own Material) column. These prices are based on the provision that you, the customer, both purchases and supplies the fabric to Office Ergonomics Limited.

If you wish to use fabrics other than those in Grahl's own ranges then please use the guide below for price comparisons of the most popular ranges:-

Grahl Fabric Group		Alternative Fabric Ranges
C.O.M	or	Customer's Own Material (Excluding Leather)*
20	or	Camira Mainline Plus; Xtreme Plus & Compliments Plus
40	or	Camira New Aquarius; 24/7; and Urban Plus 
45	or	Camira Vitesse
48	or	Gabriel Gaja & Victor stock colours
49	or	N/A
50	or	Gabriel Comfort - Stock colours
55	or	Gabriel Comfort - All non-stock colours

* For Customer Own Leather please take the Grahl Group 40 List Price.

Urban Plus is a *second nature* fabric made from 100% re-cycled Polyester.

Freework Mechanism:-

The Xenium Freework mechanism provides multi directional movement from the seated position. The direction and flow of the mechanism is adjusted by the body's motor function. By shifting the emphasis and positioning of your body weight the mechanism will adjust with you. Resistance to this movement can be semi locked off if desired. Weight tension adjustment ensures that the movement can be set to each individual's preferences. Suitable for users of 45 - 125kg in weight.

Model shown is a Xenium Classic Freework with 2D armrests and Polished base.

Back Rest Options:-

Classic

▶ Back rest finished with a two tone fabric design. The lower section of the back rest and the side walls of the seat pan is upholstered with a grey 'mesh' fabric whilst the rest of the backrest and seat is finished in the fabric of your choice.

Net

▶ Back rest finished with a black flexible fabric mesh that spans the frame of the back rest. The side walls of the seat pan are finished with a grey 'mesh' fabric whilst the remainder of the seat is finished in a fabric of your choice.

DuoBack©

▶ Independently mounted flexible twin back rest pads. Upholstered front and rear with a grey 'mesh' fabric seam. The side walls of the seat pan are finished with a grey 'mesh' fabric whilst the remainder of the seat is finished in a fabric of your choice.

Arm Rest Options:-

2D

▶ 2D Armrests are attached to the back frame. They adjust in height with the back rest and independently of the back rest.

▶ Swivel top armrests
▶ 22° of swivel adjustment.
▶ Mesh effect PU tops finished in grey.

3D

▶ 3D multi-function armrests are independent of the back rest frame.
▶ Height adjustable.
▶ Depth adjustable.

▶ Width adjustable above and below the seat.
▶ A truly adjustable arm rest to fit all.
▶ Mesh effect PU tops.
