 <p data-bbox="161 969 437 1055">SPS MM Line with Type 76 back rest, PU ergoarms. and a polished base.</p>	<p data-bbox="496 277 1294 367">Rohde & Grahl's MM Line SPS chair is an extremely comfortable and popular model. It is slightly larger in it's basic form than the ergonom & ergonom B chairs so is perhaps not suitable for a petit frame.</p> <p data-bbox="496 409 1342 465">A combination of a high degree of forward tilt and it's smooth and easy to adjust reclining action make for a very flexible chair which adapts to the posture that suits you.</p>
