

<b>ergonom 67 GSS</b>																													
 <p>67 GSS duo-back with Type 11 back rest and L03 armrests.</p>	<p>Rohde &amp; Grahl's Split Seat mechanism is one of the best available. Easy to adjust from the seated position the unique split seat allows you to raise or lower either the left or right front section of the seat pan.</p> <p>Ideally suited if you have limited flex of the knee or hip as it allows you to sit back in the chair to support you back whilst enabling you to sit with your leg out straight if necessary.</p> <p>There are currently two sizes of the split seat available, this one and the Split Seat Large.</p>
